

**Konfydence**

Outsmart Scams - Together

## Join the Konfydence Ambassador Movement

**Help people recognize HACKS before they get HACKED — and be rewarded for real impact.**

Konfydence exists because scams don't hack computers.

They hack **human behavior**.

We work with a small group of trusted people who help spread digital resilience — in families, schools, workplaces, and communities.

This is not MLM.

This is **paid civic engagement**.

### Who This Is For

You're a good fit if you:

- Care about digital safety and scam prevention
- Are trusted by others (formally or informally)
- Share knowledge through conversations, events, or training
- Want to make an impact — and be rewarded fairly

### How It Works (Simple)

1. **You register** and receive a personal ambassador code
2. **You introduce Konfydence** where it makes sense
3. **You're rewarded** for real outcomes

No pressure.

No recruiting others.

Fixed pricing — always.

### Rewards (Overview)

- **10–15% bonus** on product sales
- **Lead rewards** for schools and organizations
- **Bulk ordering** available for workshops and events

Full details are shared after registration.

### Why We Do It This Way

Because trust matters.

People don't want to be sold to when learning how to protect themselves.

They want calm guidance — from people they trust.

### Social Impact

Through **Konfydence for Kids**,

€1 from each kids-related product supports digital resilience programs for children.
