6. Classroom "Pause" Posters

(Visual Reinforcement Assets) Let Students design theirs.

Poster 1: The HACK Signals

Headline:
Is this a HACK signal?

Body:

- Hurry — Are they rushing you?

- Authority — Are they using a title to stop questions?

- Comfort — Does it feel *too* familiar?

- Kill-Switch — Are emotions running high?

Footer:
Pause. Ask. Verify.

Poster 2: Permission to Pause

Headline:
5 Seconds Can Save Your Data.

Body:
Scams succeed when people react fast.
Confidence is the ability to slow down under pressure.

Footer:
It's okay to ask. It's better to verify.
